Reformation International College

Bachelor of Education (B.Ed.) Degree Program

Elementary Education Major

(Secondary Education Major available 2011)

Our Bible-based mission is Gospel-centered education aimed at Reformation founded upon 2 Corinthians 10:4-5. *For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strongholds; casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ.*

Our distinctives upon which the degrees and courses are founded:

1. God's absolute sovereignty guiding man's responsibility
2. A biblical and thus Christian world-view
3. Gospel optimism: the Lord Jesus Christ fails at nothing
4. Theistic ethics based upon God's biblical and moral law

Our Bachelor of Education degree exceeds State of Florida Department of Education (SFDOE) Bachelor degree requirements. The education courses taught by Reformation International College (RIC) are those of a sister college that is an SFDOE approved Teacher's Certification Preparation Institute. Consequently, any student who receives a B.Ed. from RIC will meet the educational requirements to take the State of Florida Teacher's Certification test. Many other states have reciprocity with the State of Florida regarding the transfer of teacher's certificates. See our RIC B.Ed. catalog at <http://REFORMATION.EDU> for further details on this program. (Catalog available on-line mid-May 2010.)

Our Costs: Application Fee: \$100 (non-refundable)

Tuition: \$75 per credit hour. On-line credit card payments.

Pay by installment, by course or in full up front for a discount.

Books vary by course, but are comparatively quite inexpensive.

Our on-line bookstore carries many required books new/used.
