

# *1,000's of Requests For The Gospel*

## Do Foreign Mission Work, Stay At Home And Help Meet This Need.

Since the Church was so small just after Christ was crucified, God sovereignly arranged for thousands of Jews from around the world to be in Jerusalem at Pentecost. He brought them to those who would faithfully share His message — the Apostles. In this same way, God has brought thousands of people hungry for the Gospel to this church through the Good News Bible Study Ministries.

Literally thousands of students have written in requesting to study the Gospel. They await people like you who are willing to help this church reach them through the means of the Good News Bible Study Ministry. This is effective and serious evangelism at its absolute simplest. Every family can get involved.

Can you imagine, so many nominal Christian, Muslim and Hindu people writing in and saying, “I want to study the Gospel! I want to be saved. Can you tell me how?”?

The Good News Bible Study has the answers for them.

The course is over 150 pages of serious Bible study and has five parts: **About God, About Sin, About Jesus Christ, About Faith and Repentance** and **About Obedience and Holiness** which are sent out in two mailings. The course is free to the student. The church has paid for the Bible courses. Your job is to send the Bible course to the students, grade their courses upon return (a simple task with an answer key), and send them their certificates upon completion.

This can be an exciting experience for you, your family or a Sunday school class as you see your students grow in the knowledge of God’s Word and respond to the Gospel, as so many do. This is real mission work, with all of the travel and most of the work taken out of it.

## **HERE IS HOW IT WORKS:**

- 1) You commit to becoming the Student Study Supervisor for as many students as you are willing to handle. (20-30 active students is a good starting figure.)
- 2) Your only responsibility is to follow through on whatever students you commit to until they either graduate or are deleted.

\*This course uses the text of the King James Version Bible. The name Good News Bible Study has no connection with the Good News Bible.

- 3) Our church provides you with the Bible courses for your own study and to send out to your students, to whom they are free. We will also provide you with a complete set of instructions on how to do everything.
- 4) Initially, you will send out an Introductory Letter to each student to verify their address and make sure they are still interested in taking the course.
- 5) You will send out Part 1 to each student that responds. All of these addresses are on self-adhesive mailing labels for your convenience.
- 6) Upon return of Part 1, you will grade it (with an answer key -- takes between 8-15 minutes) and send out Parts 2-5.
- 7) When Parts 2-5 is returned, you will grade that (about 20 - 30 minutes per student).
- 8) If they complete and pass the course you will sign your student's official certificate of graduation.
- 9) The certificate is then mailed to the student along with a personal note of congratulations.
- 10) Our pastor or other qualified persons will answer any theological questions that arise. Otherwise, you are the grader and contact person with the student. This is a real and personal ministry via correspondence. It takes very little time per student, and the cost of postage is the only expense for you. (Since postal rates change, please see the Grading Center Supervisor for the latest postage costs.)
